

Mama's Song

By Joe Reilly

Oh Mama/wherever I go/I carry your songs in my heart/wherever I go/wherever I go/I
carry you with me/

Before I was born/I was a cloud in the sky/you sang to me/helped me to be/now your
songs travel with me/

Oh Mama/wherever I go/I carry your songs in my heart/wherever I go/wherever I go/I
carry you with me/

And when I was born/I moved my feet/to the rhythm of your heartbeat/and so from the
start/you've been in my heart/helping me to sing/

Oh Mama/wherever I go/I carry your songs in my heart/wherever I go/wherever I go/I
carry you with me/

From Bordeaux to Chicago/everywhere that I go/I carry your songs in my heart and your
rhythm in my flow/free like the river/the almighty life-giver/is flowing through my
pen/okay let me try again/its flowing through me now/its a mystery somehow/this energy
is moving/the music is now grooving/my smile is improving/I am happy now/its amazing
wow!/and to you I bow/

Oh Mama/wherever I go/wherever I go/wherever I go/wherever I go/I carry you with me/
